

14.2 Localizing a transmitter using the Narda SignalShark and the heatmap

You may have already seen this localization drive at one of our trade show stands or on our [YouTube channel](#). We have now added a commentary and subtitles to the video. Ride with us as we localize a transmitter. The drive starts on our [YouTube channel](#). The video is available in Arabic, English, and German.

Lokalisierung einer Basisstation mit SignalShark und ADFA 1 

Einstellung der Parameter am SignalShark

Kein externer PC notwendig

Dann stellt man die Messparameter am SignalShark ein.
