

23.2 Here's to a better 2021

The holiday season and the approaching new year once more give us the opportunity to review the past year and make plans for the new one. 2020 was in every respect an unusual year that will no doubt remain in our memories for a long time to come. Just as many families will come together over the holidays to celebrate, here's all the SignalShark family with a message for you:

The [Handheld](#), [Remote](#) and new baby [Outdoor](#) wish you happy holidays and a joyous new year. Stay safe and healthy.

The News Ticker editors

Software updates:
